Dear Mr. E. Rollins-Cross:

I believe something is wrong because I have still not received the Office Action of August 13, 2003. A July 15, 2004, message was left on my answering machine that the document was to be mailed. We have watched the mail every day. Would you please check to see if someone has a wrong address? Your letters arrive so maybe you could compare the address and procedure you use with the examiner's office.

Attached, please find my pre-payment to have all Office Actions regarding any and all of my patent applications sent Certified Signed Receipt Requested. I respectfully request that the above-mentioned Office Action of August 13, 2003 be mailed in this manner also.

Thank you again for your help, Craig L. Linden
